

EDCO invented the modern day
Concrete Grinder over 50 years ago.
Now, we've done it again.

Introducing the **NEW** Redesigned EDCO Concrete Floor Grinders

Grind Wedge-Less: The need for wooden wedges goes away with EDCO's new *Slide-On Accessories*. Using only our new holding cases, the profitable Dyma-Serts & PCDyma-Serts slide onto the new grinders. No tools required. New grinding and resurfacing accessories are also available.

PCDyma-SERTS
4 times stronger than carbide with
incredible removal capabilities

Dyma-SERTS
5 times faster than grinding stones.
Long Lasting!

STRIP-SERTS
Removes surface build-ups without
grinding into the surface below

Introducing the **NEW** Redesigned EDCO Concrete Floor Grinders

Grind Level: Using EDCO's exclusive Leveling System you can adjust the machine's height, use a wide range of accessories, and truly grind level. Level grinding is quicker, smoother, easier on the operator, and increases accessory life.

Velcro Dust Shroud: This new heavy-duty Velcro Dust Shroud makes dust prevention faster and easier. Simply readjust the shroud according to the height of the accessory being used.

Multi-Vac Port: EDCO's Multi-Vac Port allows you to use either a 2" or 3" vacuum hose, leading to more dust prevention options. EDCO Vacuum Systems eliminate airborne dust and shorten clean up times.

New Laser-Cut Weight Tray: This built-in weight tray accepts up to 80lbs of extra weight!
